Certificates:

Certificate of CE-Registration

This is to certify that, in accordance with the Medical Device Directive 93/42/EEC, Medical Device Safety Service GmbH (MDSS) agrees to perform all duties and responsibilities as the Authorized Representative for

LifeCare Surgical Instruments
6 October City, Industrial Zn No. 3
Carnival Industrial Compound
Giza, Egypt

as stipulated and demanded by the aforementioned Directive. The German Competent Authorities have allocated the Medical Devices of the Manufacturer the following registration numbers:

Medical Device

UMDNS Code

Registration No.

ATTENTION!
Certificate of CE-Registration foresees
Those medical devices itemized in
Dated April 2004

The Manufacturer has provided MDSS with the appropriate Declaration(s) of Conformity confirming that the Medical Devices fulfil the applicable requirements of Directive 93/42/EEC. In compliance with German law, a safety officer has been appointed for Germany.

Wir bescheinigen die Vorlage der Erklärung.
Hinsichtlich des Inhalts ist nichts Gegenteiliges
bekannt.

Certificate of Registration

This certificate of Registration certifies that:

LIFECARE SURGICAL

**Carnaval Industrial Compound, 3rd Industrial Zone, 6th of October City,
Post code: 12563, Cairo - Egypt**

has registered with the US Food and Drug Administration pursuant to Title 21 of the United States Code of Federal Regulations.

US FDA Registration Number: 3004577006

Owner Operator Number: 9063680

US Agent: Willow Glen Consultancy LLC

Willow Glen Number: WG1910MR2428

Expiration Date: December 30, 2020

This certificate affirms that the above named facility is registered with the US FDA pursuant to the regulations required by the US laws. This registration has been verified as effective by Willow Glen Consultancy as of the date below, unless such registration has been terminated after issuance of this Certificate. Willow Glen Consultancy makes no additional representations or warranties, nor does this certificate carry any to any person or entity other than the named certificate holder, for whose sole benefit it is issued. Willow Glen Consultancy assumes no liability to any person or entity in connection with the foregoing, nor does the U.S. FDA recognize a certificate of registration issued by Willow Glen Consultancy.

Willow Glen Consultancy is a private agent not affiliated with the U.S. Food and Drug Administration.

General Features:-

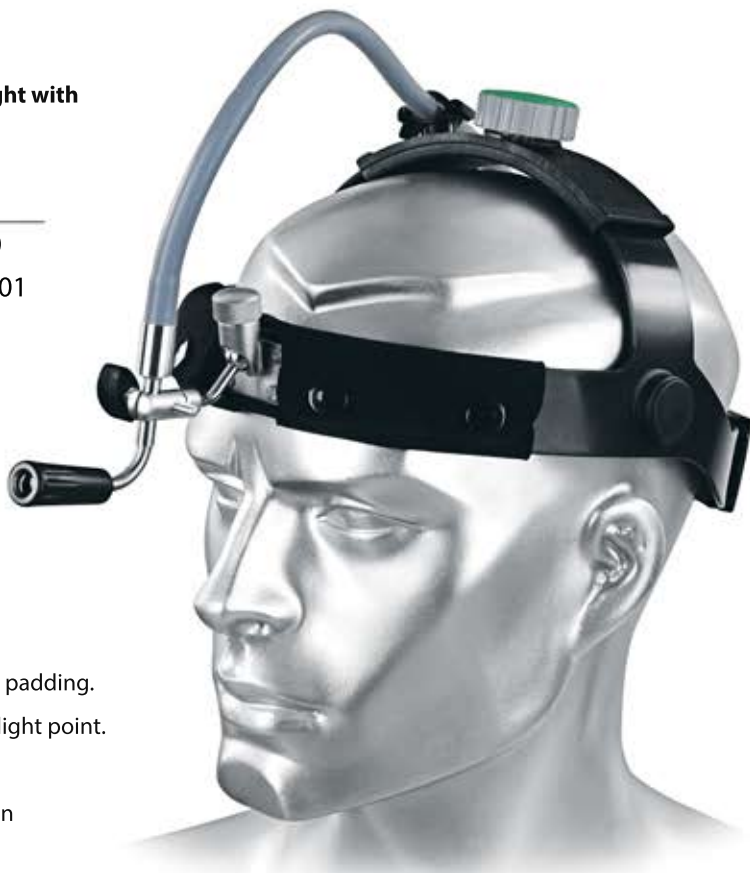

1. Modern focusable fiber optic headlight with high performance optical system.
2. Light weight and comfortable ergonomic headband.
3. Soft cable for long time use with highest comfort.
4. Highest performance at smallest focus.
5. The fiber bundle Ø of 3.5 mm as well as the double lens system effect a small and homogenous light spot.
6. The ergonomic headband with cross band fully adjustable in circumference and height by one hand, making it comfortable to wear.
7. Clar mirrors are available in two size Ø 55 mm & Ø 100 mm.
8. Silver coated Clar mirror produce extremely bright light.
9. Easy replacement of parts / bulbs.
10. A choice of durable power sources, plug in transformer & battery box for Clar mirror.

This Type is characterised by An exceptionally bright headlight with an ultra-slim illumination of the viewing area.

Code	Description
O-7406.01	Complete F / O micro head light (730 series)
O-7406.10	Cable and chamber assembly for O-7406.01
O-7906.01	Head band
O-7902.01	Rubber band clip

General Features:-

1. This version of headlight is supplied with ergonomic head band which is padded and fully adjustable in circumference and height.
2. Superior comfort, durability and adjustability.
3. Head band cleaning made easier by removable and washable padding.
4. Double lens precision optical with adjustable holder to focus light point.
5. Illumination axis adjustable over a wide range.
6. An exceptionally bright headlight with an ultra-slim illumination of the viewing area.
7. 3.5 mm fiber optic bundle cable length 2.3 meter.
8. Connector for us with other manufacture's projectors are available
Supplied standard with Storz connector.

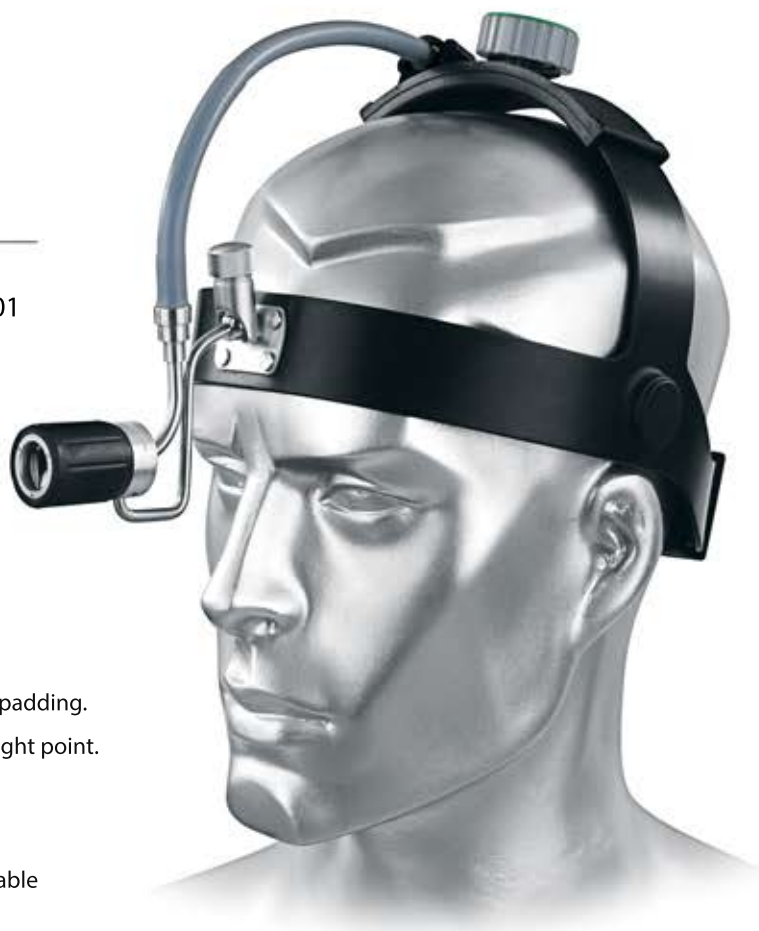

750-Series

Code	Description
O-7500.01	Complete F / O micro head light (750 series)
O-7500.10	Cable and chamber assembly for O-7500.01
O-7906.01	Head band
O-7902.01	Rubber band clip

General Features:-

1. This version of headlight is supplied with ergonomic head band which is padded and fully adjustable in circumference and height.
2. Superior comfort, durability and adjustability.
3. Head band cleaning made easier by removable and washable padding.
4. Double lens precision optical with adjustable holder to focus light point.
5. Illumination axis adjustable over a wide range.
6. 3.5 mm fiber optic bundle cable length 2.3 meter.
7. Connector for us with other manufacture's projectors are available
Supplied standard with Storz connector.

751-Series

Features:

- * Detachable cable.
- * Any standard 3.5 bundle fiber optic cable equipped with a Storz adapter can be used with this headlight.

Code	Description
O-7502.01	Complete F / O head light (751 series)
